

VALLEY CHRISTIAN PRESCHOOL

Get Involved with VCP!!! Please Join One of Our Teams

Room Parents Team

This team includes two representatives from each classroom to serve as Room Parents. The Room Parents are the go-to people for the class. They are *THE* key resource to teachers, assisting with communications and special projects. This team is also responsible for Teacher Appreciation and assisting with party planning, and the teachers and director have lots of resources to help you. **Our teachers need you!**

Classroom Volunteers

Dependent upon teachers' needs, these volunteers may assist in classrooms and help with preparation of activities for students, (such as cutting shapes, making booklets, creating bulletin boards, etc.) **This is lots of fun!**

Fund-Raising Team

The fund-raising team is responsible for fund-raising events. This year we are emphasizing our large foam blocks, used regularly in the gym during our active playtime. We are always open to fresh ideas. **Please dream with us!**

Parents Outreach Team

This group commits to praying for those in need and for each of the young lives in our care, and is also responsible for preparing, planning and executing activities that allow the preschool to give back to our community. A few examples of our outreach recipients in the past were Oregon Food Bank, Doernbecher Children's Hospital and World Vision. We often support causes in conjunction with Christmas and Easter. **Please help!**

Marketing Team

This group commits to meeting together with the director to enhance our preschool's marketing presence. We need your know-how with our website, our Facebook page, area publications and more. Where do you learn about opportunities for your young families? **Share your interests and skills!**

Halloween Costume Trade-In Team

One of our awesome moms wants to work with you to prepare and present outgrown Halloween costumes for a VCP swap! Cool, time-saving and budget-friendly idea! **Organize and have a blast with this!**

Other Volunteer Opportunities:

One Scholastic Book Order Processor – this can be done at home, 2-3x/year.

Six Ice Cream Social counter helpers – Sept 24. 5:30-7:00pm

Two or Three Scholastic Book Fair Coordinators – Fair is scheduled in November

Two or three librarians – put books back on shelves in our reading room.

We hope you find these teams an inviting way to get involved at a level that is comfortable for you. We have a wonderful school and we are proud to be part of such a gifted and giving group.

Learning, Growing, Sharing
In God's Love
