

REGISTRATION PROCEDURES

New students:

- Registration forms may be turned in starting February 3, 2020.
- Every effort will be made to accommodate your preference of class time, but your preference cannot be guaranteed. Enrollment is done on a first come/first serve basis and is also determined by need, class size and male/female ratios. *If you have a specific reason for needing a specific class schedule, please share your reason on the registration sheet.*

The completed registration process includes:

- your registration form
- the *non-refundable* registration fee of \$150.00 (\$75.00 for additional siblings)
- tuition deposit - for May 2021 paid in advance (**due on or before May 1, 2020 to finalize registration**)

WAITING LISTS

As a ministry of Valley Community Presbyterian Church, Valley Christian Preschool is called to provide a quality preschool which is available to our neighborhood and community. To honor this purpose, Valley Christian Preschool strives to fill its classes in a fair and timely manner. We have found that a waiting list provides the most equal opportunity for everyone to be a part of our school. It is also a valuable tool for future planning.

If you have a sibling you would like to enroll for a future school year, it is helpful to place him/her on the sibling wait list by filling out the spot on the attached registration form or by contacting the director. Placing your child on the waiting list ensures that we will contact you directly when registration opens.

Please contact me with any questions you have.
